Expedia Corporate Travel Selects seeUthere Technologies to Enhance Its Meetings Services Offering

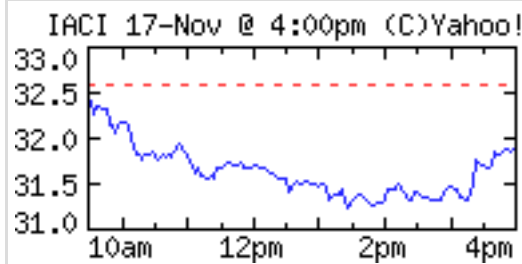

Monday November 17, 8:03 am ET

Online Tools for Meeting Planning Complement Expedia Corporate Travel's Full-Service Capabilities for Travel Managers and Meeting Planners

BELLEVUE, Wash., Nov. 17 /PRNewswire-FirstCall/ -- Expedia® Corporate Travel, a full-service travel management company operated by Expedia, Inc., today launched enhanced services for corporate group meetings and incentives, as part of a relationship with seeUthere® Technologies, the leading provider of enterprise meeting management technology. Customers can now take advantage of online tools for planning meetings, complementing the services already offered by Expedia® Corporate Travel's Meetings & Incentives department, whose meeting and travel professionals have an average of 11 years experience in helping clients manage the complexities of group travel and meeting management.

"Expedia® Corporate Travel customers value best-in-class technology tools, so our relationship with seeUthere® is an extension of our portfolio of full-service offerings for our corporate clients," said Matt Hulett, vice president of corporate travel at Expedia, Inc. "Similar to the trend of corporate travel shifting online, group travel and meeting management will continue to move toward Internet-based tools."

As part of the relationship, Expedia® Corporate Travel customers now have access to a unique version of seeUthere's MeetingView(TM) product, an end-to-end, online enterprise meeting management solution. By deploying MeetingView(TM), companies can create standard processes for managing meetings across the entire organization; automate logistics for sourcing, planning, and attendee management; track budgets; and consolidate meeting spend data for greater negotiating leverage with suppliers.

Additionally, because seeUthere® offers a single, integrated view for meeting management, customers have the option of using internal event planners, Expedia® Corporate Travel's Meetings & Incentives professional staff, or a combination of the two to plan an event.

"As Expedia® Corporate Travel has helped revolutionize corporate travel with its unique approach, seeUthere® has a similar focus on empowering clients and seasoned meeting management professionals alike with a powerful, yet user-friendly technology that standardizes the meeting planning process and enables cost savings," said John Chang, CEO of seeUthere® Technologies. "This relationship is the foundation for creating a new model of meetings and incentives management that integrates best-in-class online technologies for all aspects of meeting planning and group travel booking, and for meetings of all sizes. We look forward to becoming a valued asset to Expedia® Corporate Travel's growing customer base."
